PLAYHOUSE  
project

Habitat for Humanity of Sumner County is organizing a special half-day **PLAYHOUSE project** build event where teams can come together to build a playhouse for families in Sumner County.

The Playhouse Project is a unique opportunity that allows Habitat for Humanity of Sumner County to partner with sponsors to build a playhouse for a local family in need—providing children with a safe place to play and imagine what home means to them. Funds raised go toward building new houses right here in Sumner County.

**WHEN YOU BUILD A PLAYHOUSE  
THE END RESULT IS NOTHING SHORT  
OF MAGICAL**

## PLAYHOUSE project Sponsorship

The Playhouse Project is a unique opportunity that allows Habitat for Humanity of Sumner County to partner with sponsors to build a playhouse for a local family in need—providing children with a safe place to play and imagine what home means to them. Funds raised go toward building new houses right here in Sumner County.

### Sponsor a Playhouse

Get your company, faith group, family/friends, or other organization involved in Habitat's mission by sponsoring a playhouse! Habitat for Humanity of Sumner County will match you with a local family in need and provide a list of family interests that will help you design a one-of-a-kind playhouse that will be given to the family at no cost.

**Project Playhouse Blitz Build (\$3,000 sponsorship):** Gather your team of 6-8 volunteers and join other groups at our Blitz Build on May 6th, 2024. You and your build team will experience a unique team-building activity that helps support the mission of Habitat and blesses a family with a safe place to play. You will receive a theme for your playhouse. Habitat staff and/or volunteer leadership will be on hand to guide you and your team through the entire process. We will also provide all the materials including the playhouse pieces for you to put together as well as paint, paintbrushes, rollers, tools, protective paper/plastic, safety equipment, and cleanup supplies.

It is up to your team to come up with a design prior and any other ideas you may want to add to the playhouse. If you want to include any stickers, decals, stencils, or exact colors in your design, you can bring those, too. When the sawdust settles at the end of the day, teams will enjoy the fruits of their labor first-hand, by presenting the completed playhouse to their assigned family!
